

Hand Over the Hay, Hayseed

Or,

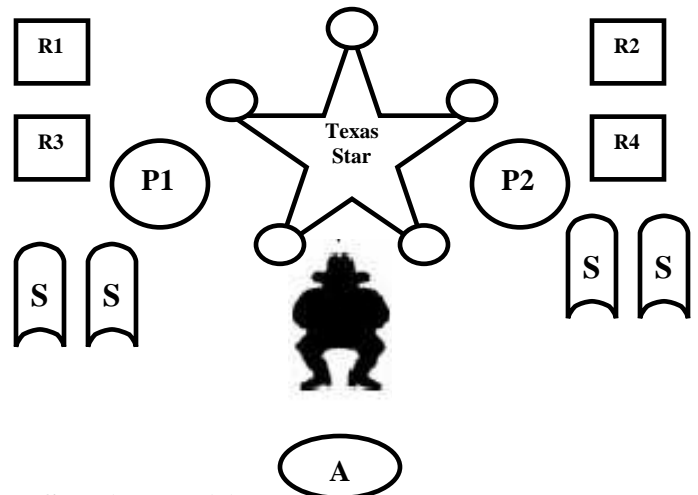

Hand Over the Grips, Bad Company

Stage 2

10 Pistol
10 Rifle
4 Shotgun

Story:

J. B. Books has been long gone but you have not forgotten him. As you make your rounds, you walk up to Mose's Livery just before dawn. As your eyes adjust, you see masked lookouts outside. Then you see Mose with his hands high as several Princeton Gang bandits search Mose's pigeonhole desk looking for J.B.'s old pistols. Since they want those old Colts so badly, you oblige them, with bullets and all!

Starting Position:

Standing at "A" with your hands on your pistols.

Staging:

Two pistols loaded and holstered.
Rifle in on the rest at A
Shotgun on the rest at A

Procedure:

When ready yell, "I got some Colt's for 'ya'"

At buzzer, draw your first pistol and engage the 3 pistol targets (Rusty is the middle pistol target) with 5 rounds, any order. Holster and do it again with your second pistol. Holster, and...

Pick up the rifle and engage the targets on the Texas Star. After all star targets are down; alternate any remaining rifle rounds between the two rifle targets. Do not hit "Rusty"! Safely stage the rifle, and...

Pick up the shotgun, load and knock down the 4 shotgun targets.

Note: Rifle misses are the targets left on the Texas Star and/or any misses on R1 or R2 and any hits on "Rusty".
