**Story:** It's just a business. If you don't sell guns to the Indians, someone else will, so why shouldn't you make a couple bucks off it? You're showing your guns to the Indians when they decide it would be cheaper to kill you and take the guns than to pay you. Luckily you're ready for something like this.

**You will need:** Two pistols loaded with 5 rounds each with hammer down over empty chambers in your holsters. A shotgun, empty with action open, staged on the table, with at least four rounds on your person. A rifle loaded with 9 rounds with hammer down over an empty chamber in your hands.

**Directions:** Start standing on the firing line with your rifle at port arms. When ready, yell "Let me demonstrate these fine weapons for your edification and enjoyment."

**At the Signal:** Engage the **rifle** targets in a continuous Nevada Sweep starting on the left. Set the rifle down...

Draw your **first pistol** and engage the pistol targets with a Nevada Sweep starting on the left. Holster...

Pick up your **shotgun** and knock down the four shotgun targets. Set the shotgun down and...

Draw your **second pistol** and engage the pistol targets with a Nevada Sweep starting on the left. Holster.

Take your firearms to the unloading table.
