

Over On the South Side

Stage 4

10 Pistol, 9 Rifle, 4 Shotgun

Table

Story: You've been shoppin' - gettin' supplies for your new spread just south of Chicago Creek. As you're leavin' the general store, you find the Capone brothers (all nine of 'em) waitin' out in the street. Big Al, the meanest Capone of all, calls you, sayin' "We told you that the Chicago Creek was on our range, and we don't want nobody else out there. We aim to kick you off the south side of Chicago Creek... for good! And since the Moran boys control the north side, we figure you got no place to go. We're here to help you get goin' nowhere... fast!" And with that they start to draw their guns.

You will need: Two pistols loaded with 5 rounds each with hammer down over empty chambers in your holsters. A shotgun, empty with action open, staged on the table, with at least four rounds on your person. A rifle loaded with 9 rounds with hammer down over an empty chamber on the rest.

Directions: Start standing on the firing line with your rifle at port arms. When ready, yell "You ain't gonna run me off, Big Al!"

At the Signal: Draw your first handgun and engage the three pistol targets with 5 rounds. Holster and draw your second handgun and do it again. Holster,

Pick up your rifle and sweep the rifle targets from left to right three times. Set down the rifle,

Pick up your shotgun and knock down the shotgun targets.

Take your firearms to the unloading table.
