

My Chickens!

Stage 5

10 Pistol, 10 Rifle, 4 Shotgun

Story: All of this rain has made doing the chores a miserable undertaking. You have to go out and fetch the eggs from the hen house in the pouring rain. You take the egg basket and head out. As you approach the henhouse, you hear a ruckus. You find some Comanche braves helping themselves to your eggs and your chickens! You draw your pistols and the fight is on!

You will need: Two pistols loaded with 5 rounds each with hammer down over empty chambers in your holsters. A rifle loaded with 10 rounds, with hammer down over an empty chamber on the rest at A. A shotgun, empty with action open, on the rest at B with at least 4 rounds in the basket in your hands.

Directions: Start with both hands on the basket. When ready, yell "Git away from them chickens!"

At the Signal: Carry the basket to position C and set it down and draw your first pistol and engage the three pistol targets with 5 rounds. Holster and draw your second pistol and do it again. Holster and pick up the basket and move to position A.

Set down the basket and pick up your rifle and engage the rifle targets with a continuous Nevada sweep, starting on the left. Set down the basket and pick the basket and move to position B.

Set down the basket and pick up the shotgun and, loading from the basket, knock down the four shotgun targets. You may only use the shells in the basket, if you run out, the targets left standing count as misses! If you spill the shells from the basket they are considered "dead" and cannot be replaced.

Take your firearms to the unloading table, muzzle up.
