Start

**Story:** Rusty and Buster may have been big and tough, but there is strength in numbers. A renegade band of Mexican Army Regulars have been crossing the border raiding towns and ranches. You are down by the creek, fetching a pail of water when the Renegades attack. You get to your guns and find plenty of targets!

**You will need:** Two pistols loaded with 5 rounds each with hammer down over empty chambers in your holsters. A rifle loaded with 10 rounds, with hammer down over an empty chamber on the rest at B. A shotgun, empty with action open, on the rest at A, with at least 6 rounds on your person.

**Directions:** Start with both hands on the bucket. When ready, yell "Undocumented workers, my butt!"

**At the Signal:** Drop the bucket and you have your choice of how to proceed. You must sweep the pistol and rifle targets twice, no double taps and knock down the 6 shotgun targets. You must return the rifle and shotgun to the rest where you picked them up. You must finish with either the pistol or shotgun. Please tell the RO how you plan to run the course before you start. The shotgun must be fired from Position A, Rifle from Position B and the Pistols from Position C.

Take your firearms to the unloading table, muzzle up.
