Story: All of this shootin' and defending good against evil has wore you out! You decide to take a few days and visit the mountains for some peace and quiet. You make camp by a small stream and set about cookin' dinner. Just as the beans are getting ready, things get eerily quiet. You look around and make sure your guns are where you stashed 'em. You see someone in the shadows of the fire. You call out, they answer with lead!

You will need: Two pistols loaded with 5 rounds each with hammer down over empty chambers in your holsters. A rifle loaded with 10 rounds, with hammer down over an empty chamber on the rest at A. A shotgun, empty with action open, on the rest at A.

Directions: Start with both hands on the frying pan. When ready, yell "Who goes there?!"

At the Signal: Drop the frying pan and move to position A and pick up the rifle and engage the rifle targets in this order: R1,R2,R1,R3,R1,R2,R1,R3,R1,R2. Set the rifle on the rest and pick up your shotgun and knock down S1, then...

Safely carry your EAO shotgun to Position B and load and knock S2 and S3, then...

Safely carry your EAO Shotgun to Position C and knock down S4. Set the shotgun down and..

Draw your first pistol and engage the pistol targets in the following order: P1, P2, P1, P3, P1. Holster and do it again with your second pistol.

Take your firearms to the unloading table, muzzle up.
